Have you been injured following a criminal act, or have you incurred undue damage as a result of an act of good citizenship in Québec?

Learn the eligibility criteria and the process for submitting an application for benefits to the Direction de l’IVAC.
The IVAC plan offers a wide range of benefits and services to victims of criminal acts and people who have performed an act of good citizenship, supporting them in their rehabilitation if they sustained an injury or material damage. Here are some examples:

- Income replacement benefits;
- Reimbursement of medical aid fees;
- Reimbursement of dental fees;
- Psychotherapy;
- Social rehabilitation measures;
- Professional rehabilitation measures and programs;
- Death benefits.
