CORONAVIRUS (COVID-19)
Preventive Measures for Wholesale Workers' Health

PHYSICAL DISTANCING APPLIES TO EVERYONE:

At work, from start to finish
During lunch and breaks

Prefer teams that are as small and stable as possible
Avoid direct contact for greetings — use alternative methods instead

SO DOES HYGIENE:

Wash your hands regularly for 20 seconds
Sneeze and cough into your elbow

Remove your protective equipment safely
Limit sharing of equipment

EMPLOYERS MUST:

Arrange work so that people can maintain a physical distance of 2 metres
Regularly clean surfaces that are frequently touched

Remind the delivery persons to leave the packages outside
